Sold species-bedroom apartment in the new LCD «Basmany, 5», whose Windows offer the opportunity to contemplate the architecture of the capital. The construction of 18-storey residential building is ZAO «Department-the Capital». The construction completion is scheduled for late 2017. The house is situated in the lanes of old Moscow, just 5 minutes from the metro station, the indisputable advantage is the good location on key transport routes such as the Garden ring and TTK, equipped with underground 2-level Parking lot for 142 cars. Developed infrastructure, schools, kindergartens, beauty salons, shops – all within walking distance. LCD «Basmany, 5» meets all the requirements of complex business-class, and entrances, made from natural materials that will complement the high status. Mikhail +79160766677.
